Apprentice advised that the mare had not jumped well and shortly after the start had to be restrained when crowded between runners and as a result the mare raced ungenerously to the 600m and was reluctant to stretch out despite her urgings. She added that at the 600m, when it was able to get on terms with another runner, the mare raced more generously. She further added that the mare was also held up for clear running rounding the home turn, but once able to obtain clear running, ran home strongly.

Notwithstanding this advice Trainer was advised that the mare would have to successfully complete one barrier trial prior to being permitted to race again. Trainer also advised that, at future starts, it is his intention to employ the services of a lightweight jockey on the mare as he believes that smaller saddles such as the one used in today's event may be contributing to the mare's poor racing manners.

On the evidence stewards found that passing the 200m mare improved from a position behind second placegetter and at 100m improved past that runner and shifted into the running of second placegetter however the interference was deemed negligible. Given the minor nature of the interference and the margin of 1 ¾ lengths stewards deemed the protest to be frivolous. Accordingly, the protest was dismissed and the judge's placings ordered to stand.
