He added that approaching the 600 metres his mount raced keenly and improved onto the heels of the eventual winner and shifted out, resulting in him then having to sustain a 4-wide run without cover from the 600 metres. Apprentice concurred with stewards that he would have been better served by attempting to remain racing on the back of the winner, rather than place too much effort on his mount, and improve from that point. A post-race veterinary examination revealed no abnormalities. When questioned regarding the reason for him shifting off the fence when leading from the 600m, , Jockey explained it was his intention to shift wider approaching and rounding the home turn as it was his view that when the rail was in the true position racing towards the middle of the track is more advantageous. Stewards noted the explanation.

S. Comments:COT: To be ridden back; settled back. Stewards considered an objection lodged by second placegetter against mare alleging interference over final 100m. On the evidence stewards found that passing the 200m mare improved from a position behind second placegetter and at 100m improved past that runner and shifted into the running of second placegetter however the interference was deemed negligible. Given the minor nature of the interference and the margin of 1 ¾ lengths stewards deemed the protest to be frivolous. Accordingly, the protest was dismissed and the judge's placings ordered to stand.
