S. Comments:Rider questioned re performance - stated gelding slow to begin and then slow to muster speed in early stages. Noted displayed a similar tendency in early stages of most recent start at Doomben. Added gelding then travelled comfortably during middle stages but disappointed in failure to finish race off as expected after obtaining clear running to outside of small field on straightening. Trainer may trial gelding prior to next start otherwise felt distance and conditions not suitable. Vetted - no abnormalities - routine swab sample.
