When questioned regarding the improved performance, trainer's representative reported the gelding was having its first start for their stable. He added that the gelding was having its first race start since August, had trialled well leading into today's event and the stable was confident of a forward showing.

S. Comments:Stewards questioned jockey regarding her tactics, in particular in the early stages of the race where she allowed the gelding to stride forward to a position 5 lengths ahead of the rest of the field. Rider reported that her instructions were to allow the horse to stride forward in the early stages and obtain a lead over the rest of the field before allowing the horse to settle comfortably in the middle stages. Trainer confirmed the instructions. As this was in accordance with the horse's regular racing pattern, Stewards noted the explanation and took the matter no further.

S. Comments:Raced wide in the early and middle stages until a point near the 800m. Stewards questioned apprentice M. Murphy regarding his tactics on the horse. Apprentice Murphy stated that his instructions were to lead, which is the horse's normal racing pattern, however was unable to cross BILLY GOAT and LANDALE and elected leaving the 900m to restrain to a position behind the two leaders. Whilst stewards noted his instructions, they were of the opinion that he may have erred in persisting so long when unable to obtain the lead and restrain his mount.

S. Comments:Rider questioned re horse's disappointing performance. He said he intended to lead today as he did when riding the horse last start, however failed to muster sufficient speed to obtain that position. He said the horse travelled only reasonably throughout and when placed under pressure ran on only fairly. Trainer expressed disappointment with the performance today, however added that the gelding sweated up quite badly prior to the event which may have contributed to its poor performance. He undertook to advise Stewards of anything that comes to light which may have affected the performance.

S. Comments:When questioned regarding the improved performance, trainer explained that the gelding sweated up badly prior to its last start at Toowoomba, which he felt explained the below average performance that day. He added that it was the gelding's first start over 1600m and he felt the extra distance was to the horse's benefit. He added he intended to aim the horse towards races over 1600m or longer going ahead with its preparation.

Tightened for room and checked near the 450m when ROCK SPARK, after being taken in initially by GOTTA GET CRACKING, commenced to race ungenerously, hung in and shifted in despite the efforts of its rider. As stewards were satisfied that the racing manners of ROCK SPARK was a major contributing factor to the incident, the matter was taken no further.
