S. Comments:Shortly after the start was placed in restricted room and eased when runners either side shifted ground. Apprentice J. Oliver could offer no explanation for the horse's performance. Trainer B. Currie also expressed disappointment with the performance, which he could only attribute to the horse failing to back up after racing on a heavy track at its most recent start and undertook to advise Stewards in the days subsequent to the event if anything comes to light which may have affected the performance. A post-race veterinary examination revealed no abnormalities and a swab sample was taken.

S. Comments: When questioned concerning the riding instructions, apprentice S. Lacy advised stewards that she was advised to ride the gelding where it was comfortable and then work home. Apprentice Lacy said that CWMBRAN was slow to stride and in her opinion was not entirely comfortable with the sand surface and therefore her mount took a position several lengths behind the field. She further explained that she then took the horse to the outside at the 550m and finished very strongly over the concluding stages.

Jockey Bogenhuber added that when placed under pressure from the 700m the filly failed to respond to her riding and proved disappointing. Jockey Bogenhuber added that in her opinion the filly raced somewhat flat today, which she attributed to the horse being second up from a spell.
