When questioned regarding the poor performance, jockey Beau Appo advised that after obtaining a forward position in the event, the gelding only travelled reasonably throughout the event, and when placed under pressure proved disappointing. Trainer B. Currie also expressed disappointment in the performance and advised that he may now freshen the horse up and step it back in distance before its next start. A post-race veterinary examination failed to reveal any significant abnormalities.

When questioned as to the improved performance, Trainer T Pascoe stated that the gelding had over-raced when obliged to race behind other runners at its last start in Toowoomba. Mr Pascoe added that the gelding raced more tractably when able to settle outside the leader today. Mr Pascoe also noted that he had removed the blinkers which in his opinion contributed to today's improved performance.
