When questioned regarding the tactics adopted in the home straight as to why he did not take an available run to the inside near the 200m, apprentice M. Schrapel advised that initially he committed his mount to the outside and by the time he was able to change course to the inside the run was closing and he did not feel it was safe to pressure his mount to improve into that position. Dougall advised that following the horse's poor performance at Miles on 11 February 2017 he freshened the horse up and altered its trackwork in preparation for today's event. He added that the horse worked well on the Wednesday morning prior to today's event, and whilst it was suited by the drop in weight for today's event, and had previously shown a liking for this track, he was nevertheless surprised that the horse was able to win today's event. Stewards noted the explanation.
