S. Comments:Bumped heavily at start and became unbalanced. Near 1100m checked after improving onto the heels of DEEP LEAD. Rider questioned re performance - stated after receiving interference at start was unable to take up a forward position as anticipated. Added attempted to comply with instructions and improved forward however, filly failed to show necessary speed and instead of being caught wide elected to obtain a position with cover towards rear of field. Added filly ran on fairly over concluding stages and in his opinion would appreciate a step up in distance. Vetted - no abnormalities.

He indicated that the horse always appreciates a heavy track and performs best on rain affected conditions, with its only other 2 wins being on heavy tracks. He added the removal of the butterfly bit for today was also, in his opinion, appreciated by the gelding, and indicated with the significant step back in class from its most recent start he had expected a forward showing.

S. Comments:When questioned regarding the tactics adopted in the early stages, in particular whether there was an opportunity to maintain a forward position rather than restraining and settling further back, jockey C. Whiteley stated that after beginning well, when he attempted to maintain a forward position, STRIDE OF PRIDE, which was racing to his inside, shifted out, forcing him wider. He therefore was of the view that he was going to be caught racing three wide and therefore elected to restrain and obtain a position with cover in a midfield position. Stewards noted his explanation.
