S. Comments:Raced wide throughout. When questioned regarding the horse's disappointing performance, rider said the horse commenced to hang out when placed under pressure from the 500m and in his opinion was entitled to finish the race off better than it did, however was most disappointing. Trainer could offer no tangible explanation, however noted that the horse races best when able to lead in its events. He added that in light of today's performance, he will look to drop the horse back in class and in races of a lesser distance than today's event. Vetted, no significant findings.

S. Comments:When questioned regarding the disappointing performance, trainer T. Dougall advised that in his opinion the mare did not handle today's heavy track and was not suited by having to race wide after beginning from a wide barrier. He added that he felt the mare would be better suited to races over a longer distance than today's event. A post-race veterinary examination revealed no significant abnormalities.

Comments:When questioned re tactics adopted, in particular racing further forward, rider stated that her mount typically does not show early speed however, from the wide barrier, it began well and when the tempo in the early stages was only moderate she rode along to race forward rather than restrain back. When questioned re the improved performance of the gelding trainer stated that the gelding has always shown some ability and it generally runs an honest race. He added that today the gelding appreciated a comfortable run behind a genuine tempo in the middle stages on a good racing surface.
